# ANNUAL CONGREGATIONAL MEETING

## OPENING LITURGY

### Son of God, Eternal Savior

Recognizing that our faith is a living, busy, active and mighty thing, may the grace of our Lord Jesus Christ and the communion of the Holy Spirit be with each of you.

**And also with you.**

Teach us to love you with all our heart, soul, mind and strength.

**Receive our prayer, O God.**

Descend on our hearts, that we may love others in the ways Jesus loves us.

**Receive our prayer, O God.**

Empower us to be enthusiastic in pursuing your vision for our congregation.

**Receive our prayer, O God.**

Move us to engage issues in our community in Christlike ways, and to pursue deep and authentic relationships with those with whom we serve and partner.

**Receive our prayer, O God.**

Strengthen us to face the barriers we encounter in doing your work, learning to work with others amid disagreement.

**Receive our prayer, O God.**

Give us the ability to adapt to the cultural, economic and social changes that occur in the neighborhoods we serve.

**Receive our prayer, O God.**

Guide us to be a healthy congregation that learns from its failures as well as its successes and offers wisdom to others.

**Receive our prayer, O God.**

As we strive to become the church that we proclaim to be, raise up leaders who focus on the gospel of freedom, forgiveness and reconciliation as given to us through God's indescribable act of love in the death and resurrection of Jesus Christ. Renew us daily in our baptism, that we may discover vitality in our relationships with you, each other and those we serve in the world.

**Amen.**

# A MESSAGE FROM PRESIDING BISHOP ELIZABETH EATON

Dear friends in Christ,

All around us, we see signs of God's love and goodness. A person who has stepped away from church for many years steps back into a congregation, feeling the call of the Holy Spirit. Young adults feeling isolated in a digital-first world start gathering in person in a small group, enjoying the warmth of a hug and a new friend asking about their week. A mother plants a garden, and it yields fruits and vegetables, giving her nutritious food for her kids and extra produce to sell at the local market. Everywhere we look, we see signs of Christ's love. In Psalm 93, we read: "More majestic than the thunders of mighty waters, more majestic than the waves of the sea, majestic on high is the Lord! Your decrees are very sure; holiness befits your house, O Lord, forevermore" (4-5).

God's love is a majestic thing, and it moves us to share it in word and deed. The ministries of our congregations, our synods and the ELCA churchwide organization are all working together to share God's love with people in our neighborhoods, across our country and around the world.

I am so grateful for you, dear church. Your generosity to each of these three expressions of the church — your congregation, your synod and the churchwide organization — has bolstered the church's ability to share the message of God's love to people who are longing for it. Through your

financial resources, your time volunteering and accompanying others, and your voices, you've helped carry this message of God's majestic love. Thank you, dear church. As we look ahead to the coming year, I encourage you to stand steadfast in God's promises, sure of God's love and goodness.

## A MESSAGE FROM BISHOP MARTIN

To the amazing disciples of the Northwest Synod of Wisconsin,

I remember with gratitude preparing for annual meetings when I was most recently a pastor at St. John's Lutheran in Bloomer. So many reports to collect, so many people to recruit, so many meetings to plan - it was a busy time indeed! But in doing all of that work, they all came together for two important purposes:

1. To share God's stories through your ministries.
2. To plan future God stories through your ministries!

When you really think about it, annual meetings are a time to celebrate what has already happened and a way to dream about what could be in the forthcoming months and years! And from my new perspective as your bishop, I love knowing that despite all of the great things we share in common, there are so many contextual things that are happening in your congregation alone. What a blessing as we come together as fellow ELCA Lutherans, yet all distinct and unique in what God is calling us to do!

As you may know, we also share in our ministry together as the Northwest Synod of WI. There are several things to celebrate that I want to share here.

1. We continue to financially support our synod youth and their related ministries, such as our bible camps and youth gatherings.
2. We raised over \$120k for our friends in Malawi to build additional solar powered wells, despite having a goal of \$40k! It was so fun to share that information with them in person when Deacon Laura and I visited a few months ago and got to see firsthand some wells that had been built and purchased from this synod in the past.
3. We support our young adults in campus ministry, along with other young adult opportunities, such as our upcoming young adult gathering in Puerto Rico this January. This is such an important part of life as they explore their faith and make it their own and we get to help nurture those conversations!
4. We are helping our first call pastors lean into their leadership and nurture their God-given gifts as they discover the joys and opportunities of their first call experiences. This includes helping them out financially as they seek to reduce their educational debt that they bring into that first call.

Finally, I want to thank you for electing me as your bishop. Thus far, I have felt the full support of this synod as I visit congregations from week to week. The days of the election itself, along with the installation in September, have both been two of the most meaningful and life changing experiences of my life and your support is a significant part of it I have fully enjoyed visiting each congregation and look forward to seeing yours over the course of my six-year tenure. Yes, I realize it will take four years to get to them all, but the way the time has been flying, it won't be long!

Please know that your synod staff are here for you and want to accompany you on your journey of faith. We will continue to pray for us all in our lives together to make sure that our relationship with you is supported and upheld in prayer, in both the joys and struggles of ministry. We want our relationships to be intentional and strong so that you never feel isolated in this work. We are grateful for your partnership in the gospel!

Privileged to serve,  
Bishop Martin

### **Unfinished Business**

Flower box and cleaning outside of the church still needs completed, piano lessons are not being held in the church anymore, and offering plates are still being left in the back of the sanctuary.

### **New Business**

Discussion about the sharing of the peace: it was decided to keep sharing of the peace as is, not bringing back shaking hands.

New Hope received a gift from the Harold Jenson estate, for which we are very grateful.

We received a quote for \$8,500 for cleaning and fixing the church and planter – MMSC to hire the company that gave us the quote.

MMSC to allow council to spend \$10,000 or less on facilities going forward, extending the motion made at the annual meeting 2023.

Carpet Fund – carpeting in the fellowship hall is going to cost approx. \$9100, and since we currently have \$9700, the carpet is going to be replaced after Easter.

MMSC to adjourn the meeting at 1:05, and closed with the Lord's Prayer.

Olivia Mai, Secretary

Thank-you for another great year! If you are a person who attends New Hope regularly, gives consistently, volunteers, prays for the congregation, or is supportive of my ministry and family, I hope you know that this means everything to me. You make the good days better and the bad days bearable. I thank God for you every day in my prayers.

Last year my report included three goals:

Continue to increase weekly attendance, find more ways to help people in need, and start a Bible study that would be more inclusive (not just for women.) We met two of the three goals. We only increased attendance by an average of 2 per week. We are at 50 this year compared to 48 last year. It is not much of an increase, but I am counting it. We did add some more ways to help people in need with the Seafarer Christmas bags and gifts for the woman's shelter. People responded well to these opportunities, and we continued to help many people in need through our regular offerings.

The third goal remains unmet. This is on me. I did not start a new Bible study. Doing new things is hard! You never know if they will succeed. It's hard to fit something new into an already busy schedule. Of course there is always the dreaded, "We have never done it that way before." I don't like hearing that when I feel like we need to do a new thing. Also, sometimes I am the one saying it. I am not going to say it this year. **"This is the way we have always done it," is not a reason to continue to do something. Sometimes, it is a reason to stop doing something.** If a thing is working great and it is reaching the unchurched, supporting our members, or helping the poor, we should do it. If it is just habit or a tradition that's not working anymore, we should stop. This will be our year to try new things. I will check in periodically and we can decide if they are working. I am especially interested in things that spread the gospel. We are called to go forth and make disciples. Let's get going!

*See You in Church, Pastor Judy*

### New Hope Council President Report

It is hard to believe we are already done with 2024 and moving into 2025. Time continues its steady march. I would like to thank all of our church community for making our congregation fun, rewarding, and mostly a continued thankfulness for all that God has done for us in our lives. Our church family does many things that often go un-noticed, and I would like to thank all those that perform administrative duties, work funerals, quilt for the needy, setup church so it is ready every Sunday, keeping our church clean, teaching our children, finding new ways to engage our community, and for keeping our buildings and grounds functional. We have a great pastor and a great congregation, please do stay engaged to continue making our community great through everything we do.

God Bless

R. John Steinberger

NH LIFE AND MISSION REPORT 2024

Life: connecting with each other through fellowship. We had coffee and cookies after church last spring, welcomed new members to our congregation and enjoyed a pot luck lunch after the outdoor service in August.

Mission: reaching out beyond the budget. In May we helped support our missionary in Japan. In Nov./Dec. we had several opportunities to reach out to our neighbors. We collected over \$2600 for the ELCA – Domestic Disaster relief fund, this went to help the victims of hurricanes Helene and Milton. We put together Seafarer kits that Pastor delivered to Duluth and locally collected items for the Bridge to Hope

We Love because God first loved us

### Education and Youth

We have had a joyful year working with the children at New Hope. Five teachers rotate Sundays for leading Children's Time after the Children's Sermon each week. We are able to reinforce the Gospel lesson that Pastor Judy has introduced to them through various crafts, role plays, and games. Our Christmas Program went very well. The Confirmation students, Maddie, the younger children, and the teachers enjoyed presenting it to the congregation.

We were able to do a few Youth Group activities last year, but participation has been low. We enjoyed watching Ben's wrestling match and went fishing together at the BullFrog Fish Farm. We understand that students have a lot of different commitments to juggle! Seeing youth at church, singing in the choir or going up for the Children's Sermon, is such a blessing for New Hope! I look around and see the smiles it brings to all of us.
